RUN FOR THE GREEN NEWS

[Pledgestar link](#)

- **WOW! Birney raised a whopping \$18,103 last week!**
- I am leaving the link to Pledgestar up top because this really is a function of how many requests are sent to email contacts. Compare rooms 23 (102 emails sent) and 209 (100 emails sent) with rooms 28 (18 emails sent) and 210 (13 emails sent). **Because every little bit counts, and doesn't break anybody's bank – the more emails you send, the more likely you'll get a donation.**
- **Congrats to room 23 for getting into the \$3000s – challenge to the school, who can join room 23?**
- Last week's challenge was to join room 22 in the \$2000s – 8 classes met that challenge!
- Remember, \$20 gets you your first ticket for the prize drawing – then every \$10 after that gets you another ticket, and every tickets is a chance to win a prize.
- The grand prize for grades 3-5 is a very nice tablet. There are 2 really cool bikes for TK-2.
- Did you know you can sponsor an entire class? Email Fran at rftg@friendsofalicebirney.org to make arrangements.

COVID VACCINE CLINICS

In Saturday's district email to families, we shared the opportunity for anyone in the community (ages 12 and up) to receive the free COVID-19 vaccine. Under the latest CDC [guidance & recommendation](#) the Pfizer vaccine is available at all school-based clinics for anyone 12 years of age or older: Sharp HealthCare Clinics from 10:00 am-4:30 pm Thursday 5/20: Mission Bay HS. Also 5/20: Morse High School and San Diego High School. Students who attend the school with the vaccine clinic only need a signed parent consent form; all other students will be required to have a parent present. To find more information and parent consent forms in multiple languages, visit [COVID Vaccine website](#)

Joke of the Week

From Emma Miller, room 21

Why did the whale swim across the ocean?

To get to the other tide!

RUN FOR THE GREEN was so much fun! Look at these happy runners:

Sophia is showing off her tally card - all who ran 6 or more laps received a glistening 'vintage marathon' medal.

These 1st graders paused running to pose for the camera - check out that vintage Run for the Green t-shirt Jazlyn has on!

This RFTG design is uniquely suited to 2021 - all of us on a journey with our school. Your last chance for a Run for the Green shirt is tomorrow - get your donations in and if you have \$75 or more, you qualify for a free Run fir the Green t-shirt!
